

# LET'S MAKE WINTER FASHION FUN FOR MEN

### TAN LEATHER JACKET WITH DENIM SHIRT

Getting ready for a big date? Ditch your usual jackets for a tan jacket to show your lady you believe in taking risks. Pair it with a denim on denim look, and boy, are you ready for a great first impression!

## This International Men's Day, learn how to layer like a player

One of the most exciting things about winter is winter fashion — you get to have a whole new wardrobe. One way to ace winter dressing is by layering like a pro. Whether you are going for a business meeting or spending some downtime with the boys, you can choose from Mufti's all-new winter wear collection and add the required layers with style.

From blazers, bomber jackets to super cozy hoodies and sweaters inspired by the athleisure trend, Mufti's new winter collection has it all.

Kamal Khushlani, founder and managing director, Mufti says, "Our Autumn Winter '18 Collection is trendy, comfortable and enables our consumers to stand out in the crowd. It is heartening to see the overwhelming

response the collection has received. We are confident that our unparalleled design and creativity will enable us to continue delivering breakthrough fashion trends."

Check out how actor Kartik Aaryan cleverly layers his garments to keep warm during the season.
