

LET'S MAKE WINTER FASHION FUN FOR MEN

TAN LEATHER JACKET WITH DENIM SHIRT

Getting ready for a big date? Ditch your usual jackets for a tan jacket to show your lady you believe in taking risks. Pair it with denim on denim look and boy are you ready for a great first impression.

This International Men's Day, learn how to layer like a player

One of the most exciting things about winter is winter fashion — you get to have a whole new wardrobe. One way to ace winter dressing is by layering like a pro. Whether you're going for a business meeting or getting some downtime with the boys, you can choose from Mufti's all-new winter wear collection and add the layers your outfits need.

From blazers, bomber jackets, super cozy hoodies, and sweaters inspired from Athleisure with sporty aesthetics, Mufti's new winter collection has it all.

Kamal Khushlani, Founder and Managing Director, MUFTI says, "Our Autumn Winter '18 Collection is trendy, comfortable and enables our consumers to

stand out in the crowd. It is heartening to see the overwhelming response the collection has received. We are confident that our unparalleled design and creativity will enable us to continue delivering breakthrough fashion trends."

KNIT SWEATER WITH A WOOLLEN SCARF

Heading out for a day out in the sun? Make sure your casual dressing is not lazy dressing. And while bone chilling winds is a hindrance for your brunch outing, under the clear blue sky, go for something warm yet basic. So, pair this round neck dual tone knit sweater from Mufti with a woollen scarf to add a refined charm to your casual look.

When feeling a nip in the air, staying warm quickly becomes a priority. But piling on the entire contents of your wardrobe isn't exactly the stylish solution. Yes, trapping heat is essential, but get excessive with your layers and you'll be sweating like a turkey. Trust us when we say winter dressing is an art. One way to ace winter dressing is by layering like a pro. Take a look! **HTC**

LIGHT GREY BOMBER JACKET
